

Private Investigator Training

Hughes Intelligence is pleased to introduce our Private Investigator Training Course.

Course Information

The course is an in-depth study of the principles and knowledge required to become a licensed Private Investigator. It is approved by the Ministry of Community Safety and Correctional Services and is geared to help the student pass the mandatory Private Investigator Exam issued by the Ministry. Hughes Intelligence's in-class Private Investigator Course is presented by 3 former Police Officers.

Some of the topics discussed in the course will include but are not limited to; Introduction to the Private Investigation Industry; The Private Security and Investigative Services Act; Provincial and Federal Statutes; Criminal and Civil Law; Investigative Techniques; Principles of Ethical Reasoning/Decision-making; Key Principles of Communication and Interaction; and Self-Management Skills . A good knowledge of the Private Security and Investigative Act and Ministry Code of Conduct will also be required.

Are you already a Private Investigator?

We also offer a Study Guide for those Private Investigators who are required to write the exam but are not required to take the training course. The Study Guide will be available in the near future from our website: www.hionlinecertification.com. Payment is through Paypal on our site and once payment is approved the individual will receive an email with the Study Guide, which is a downloadable file.
